To Whom It May Concern:

Coleman Professional Services will have three (3) Coleman-operated enterprises housed in the retail portion of the Phoenix Project, providing a unique funding stream for Coleman's services, as well as employment opportunities for consumers involved in Coleman's Vocational Rehabilitation program.

As of December 1, 2012 there were over 225 single, disabled, low-income on the Portage County Metropolitan Housing Authority's (PMHA) waiting list. Coleman currently has 29 single, homeless persons with a disability of mental illness on its waiting list for housing. The Phoenix Project will provide housing for ten (10) of these individuals. Coleman Professional Services has been approved for ten (10), five (5) year rental subsidy vouchers for the Phoenix Project from the Portage County Metropolitan Housing Authority.

Please let me know if I can provide you with additional information regarding this matter.

Nelson W. Burns
